EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
 - a. In the specification, page 3, line 26, deleted "(not shown)" and inserted -- (3)--.

REASONS FOR ALLOWANCE

2. Applicant's petition for withdrawal of abandonment has been noted and approved. The examiner regrets any inconvenience caused by the Notice of Abandonment.
3. Applicant's submission of new drawings filed on 4/7/2008 is accepted. The ground for objection in the Office Action mailed 9/19/2007 has been withdrawn. Additionally, the grounds for rejection set forth under § 112 has been withdrawn in view of applicant's amendment to the drawings showing the subject matter set forth in claim one.
4. The following is an examiner's statement of reasons for allowance:

Applicant's amendment to claim 1, which now incorporates previously objected dependent claim 4 and previously rejected claim 2, places the application in condition for allowance.

The cited prior art of Duke, used as a basis for the rejection under § 102(b) does not disclose the use of a hydraulic cylinder and piston arrangement to control the movement of the rail, but instead utilizes a manually operated handle to control movement.

The prior art reference of Crewe, which was utilized in the international search report completed 7/13/2004, does not disclose the use of hydraulic arrangement to control the movement of the rail. Likewise, the prior art reference of Lohse does not disclose the use of hydraulic arrangement to control the movement of the rail, but instead utilizes a manually operated handle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
